Re: Application by Qwest Communications International, Inc. for Authorization to Provide In-Region, InterLATA Services in New Mexico, Oregon and South Dakota
WC Docket No. 03-11

Dear Ms. Dortch:

On Wednesday, February 19, 2003, Mitchell Menezes and the undersigned, both of AT&T, had a telephone conversation with Deena Shetler, Marvin Sacks and Sherille Ismail of the Wireline Competition Bureau. The purpose of this conversation was to discuss Qwest's practice of denying CLECs in New Mexico reciprocal compensation arrangements for certain traffic that Qwest claims is "transiting" traffic. As follow-up to this discussion, AT&T will provide written responses to Staff's questions under separate cover.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink that reads "Amy L. Alvarez".
